School Uniform Policy

'Whatever we do, we do it for the glory of God.'

The purpose of having a school uniform at St Simon's Catholic Primary School is to create a feeling of belonging within our learners. The school has high expectations and standards and this is reflected in the pride we take in our school uniform. We also believe that a school uniform helps to create a sense of community and should unite children together as part of St Simon's family. We expect our uniform to be worn with pride.

OBJECTIVES

- To maintain a strong sense of identity, pride and belonging within our school
- To promote consistently high standards of behaviour, attitude and dress.
- To respect variations to school uniform if they are directly related to established religious or cultural traditions.
- To avoid unnecessary clothing expense for parents.

We expect all pupils (Reception – Year 6) to follow the dress code. Parents should communicate with us if there is a specific reason why their child is unable to follow this policy.

There is no obligation for children attending our Nursery setting to comply with the Uniform policy, but parents / carers may prefer them to so.
