

#### **Pupil Premium Strategy Statement**

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

The school continues to have a highly transient pupil population with an increasing number of EAL pupils and pupils with complex learning and social and emotional needs. We have also found that lots of our pupils are struggling with coming back to school after COVID. We have targeted Mental Health and Wellbeing to support not only these children but the whole school.

At St Simon's, we have high aspirations and ambitions for all our children and we believe that no child should be left behind. We are determined to ensure that all our children are given every chance to achieve highly. Pupil premium funding, along with allocations made from the school's own budget will help ensure this money is spent to maximum effect.

### Part A: Pupil premium strategy plan

#### Statement of intent

St Simon's Catholic Primary School has high expectations for all its pupils. Children are encouraged to STRIVE to be the very best that they can be. Effective teaching and focused learning intentions enables maximum opportunities for exceptional learning outcomes from respective starting points. Relationships are crucial at every level, and there is commitment and dedication for all children to achieve well and to experience success and pride.

Specific interventions are implemented by staff, targeting children in need, including disadvantaged pupils. The pupil premium funding enables such interventions to take place, with the aim being for these children to do as well as their peers with similar starting points, who are not eligible for the Pupil Premium.

When making decisions about allocating our Pupil Premium Funding, the needs of the children in each cohort are taken into account and appropriate spending is agreed, to provide opportunities for those children to 'catch up' to those who are making expected progress and who are meeting age related expectations.

#### **Challenges**

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our disadvantaged pupils, on average, have lower attainment rates and make less progress than non-pupil premium children. The loss of academic and social learning due to Covid lockdowns, restrictions and self-isolation have been more prevalent amongst our pupil premium children, resulting in lower outcomes.
2	Language knowledge and acquisition is limited, as is exposure to rich vocabulary.
3	A number of disadvantaged pupils struggle with specific learning behaviours. They have low emotional resilience for overcoming problems, low aspiration and focus to fulfil their potential and have poor social and communication skills for positive relationships.
4	Lower attendance and poorer punctuality for our disadvantaged children.
5	Limited life experiences and resources.

#### **Intended outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
<ul> <li>Disadvantaged and vulnerable children to make at least expected progress from their starting points.</li> <li>The attainment gap between PP children and non- PP children will reduce.</li> </ul>	<ul> <li>Focussed tracking and specific intervention from TAs, teacher or SENCO to be carried out regularly, depending on the need. This is to be monitored by school leaders.</li> <li>SENCO to work with a number of PP children and class support staff to complete follow up work.</li> </ul>
Rich language opportunities for all.	<ul> <li>Additional speech and language activities to those who require it.</li> <li>Restorative sessions and circles in classes.</li> <li>A love of reading for pleasure and for information to be modelled and adopted in every classroom.</li> <li>Libraries in every classroom.</li> <li>New phonics scheme to be implemented.</li> <li>Daily reading and talk for writing to take place.</li> <li>Class novels to be enjoyed.</li> <li>Class displays to reflect key, relevant vocabulary.</li> <li>Restorative ambassadors trained up by JC and on duty daily, stimulating dialogue and resolution.</li> </ul>
An increase in positive mental health and well-being	<ul> <li>Aspirations week</li> <li>Live life to the full materials incorporated into the curriculum</li> </ul>

## **Pupil Premium Strategy Statement**

	<ul> <li>Drawing and Talking sessions led by trained staff, to support those suffering from trauma or loss.</li> <li>A school Counsellor in school 1 day a week.</li> <li>ELSA intervention.</li> </ul>
Attendance and Punctuality will improve for PP children.	<ul> <li>Clear communication from home and school</li> <li>Staff to engage with specific families and offer information and strategies to help and support.</li> </ul>
A broad range of experiences for the children to be exposed to.	<ul> <li>Forest school to be accessed by all children.</li> <li>Class teachers and subject leads to organise impact activities, either face to face or virtually.</li> </ul>
